

National Selection Criteria

The selection of the original team will be based on the Standard Points Allocation criteria (1.a -1.f). In the case of ties, the game count will apply, but for selection from the official Reserve List, the criteria detailed in the Count Out Points Allocation (3.a and 3.b) will apply.

1. Standard Points Allocation

(a) Attendance and participation at Monthly games

It is recognised that the most important aspect of being a Nomad is to play in as many official monthly games, as possible.

Therefore, the allocation of points for doing so is:

Number of monthly games played in the last two calendar years calculated as at the last day of the month prior to the closing date for Nationals Entry = 1 point per game to a maximum of 24 points.

(b) Attendance at Previous Nationals

Attendance at any of the last three South African Nationals = 1 point per Nationals to a maximum of 3 points.

(c) Service to Nomads Golf Club Western Province

If you are a serving member of the current Committee = 1 point.

(d) Attendance at Committee Sanctioned Away Games

Seaboard Tournament = 1 point.

Andrew Mentis Golf Day = 1 point.

(e) Attendance at AGM

Actual attendance [not an apology] at the most recent AGM, i.e. the AGM before selection of the National team = 1 point.

(f) Marshal at monthly game

Marshal duty at a monthly game and attendance at prize-giving = 1 point per event, to a maximum of 2 points.

The total points allocated for marshalling, together with points allocated for attendance and participation in a monthly game over the last two calendar years, may not exceed 24 points.

(g) Golforama, FOG or WP/Sunshine event

1 – 2 days = 1 point	3 – 4 days = 2 points	5 or more days = 3 points
NOTE: Maximum 3 points available		

2. Captain's Prerogative ("Captain's Pick")

Notwithstanding any qualification criteria, the Captain at his sole discretion, may select a maximum of one player who would not otherwise have qualified, based on any one or more of the following criteria:

- (a) Contribution to Nomads: A non-committee member who has contributed to Nomads over and above of what is expected.

- (b) **Injury/illness:** A Member who has an outstanding history of playing monthly games but has been unable to participate in the required number of games due to serious injury/illness. The member will be required to produce proof of such injury/illness.
- (c) **Recruitment of new Nomads:** A Member who has introduced a new Member into Nomads Western Province, and who is inducted.

3. **Count Out Points Allocation**

The following count out procedure only comes into play with those on the Reserve List in the case of ties.

(a) **Service to Nomads**

For serving as a Past Captain with WP Nomads = 1 point.

(b) **Attendance at Other National Tournaments**

Attendance at any foreign Nationals in the year preceding selection = 1 point for attendance at any one and a maximum of 2 points for attendance at 2 or more.
